Agenda Item 5: Roundtable Discussion:

Councilmember Ellis introduced Ina Wintrich who was to facilitate the roundtable discussion

- Ina Wintrich asked that each invited participant be prepared to discuss one accomplishment, one challenge and one opportunity that presented itself this past year.

- In addition, Ina Wintrich requested that each participant write down their answers on note cards, which were provided, and place them on the story boards in the front of the room.
- Vice Mayor Hut Hutson discussed ASU's intent to construct up to an additional 14,000 bed units for on campus housing. He stated that this may present an opportunity to buy back a number of properties in north Tempe that are currently being used as rentals and occupied by ASU students.
- John Smith stated that the City of Tempe and local non profit developers need to talk with the larger employers in the area to discuss the possibility of employer assisted housing.
- Public comment: A member of the audience stated that he lives in a mobile home and have difficulties paying for the monthly rent. He stated that Tempe Housing Services should allow Section 8 vouchers to be used in mobile homes.
- Public comment: A member of the audience stated that she believed collaboration between non profits was already taking place and that the real issue was the lack of project funding. The audience member also stated that she hoped this Forum was the first in many to come.
- Beth Fiorenza stated that she agreed that funding resources are scarce, but that the State government is offering some technical assistance through a grant opportunity and that the Stardust Center is also a valuable resource.
- Ken Jones stated that he thought it would be a good idea if the City would create a list of Tempe resources for the non profit developers to distribute to their participants.
- Kate Hanley stated that time was of the essence because of the escalation of property values surrounding the light rail. She stated that the City and its non profit partners should move quickly while the opportunities to create affordable housing still exist.
- Chris Salomone stated that Tempe was in a unique position to move on various affordable housing initiatives due to the current Council's unanimous support.
- Ernesto Fonseca stated that developing affordable housing is good business for everyone and can be very profitable for developers.
- John Ramirez asked where we should go from here as Federal funding sources are dwindling. John suggested that Maricopa County is a resource that has not yet been approached for assistance. John made two proposals for the City.
 1. All the organizations participating in today's forum (including the City of Tempe) should approach the County with a united voice.

2. The City should create a direct funding source for the creation of an affordable housing trust fund.
- Ben Sanders stated that non profits should not overlook the faith based organizations as they can be a valuable resource and provide volunteer support.
 - Public Comment: A member of the public stated that he believed Tempe should be proud of itself because of the numerous programs offered to low income households. He also stated that he believes the programs that the City does offer should be better advertised and promoted to the community.
 - Kate Hanley asked Councilmember Ellis when the next forum will take place.
 - Councilmember Ellis stated that no date has yet been set for the next forum, and the evaluations completed by attendees will play a part in making that decision.
 - Councilmember Ellis thanked all the invited guests and members of the public who attended and participated in the Forum and requested everyone complete a program evaluation form. Councilmember Ellis also stated that the PowerPoint presentation will be emailed to all attendees who signed in and supplied the City with their email address.
 - Councilmember Ellis adjourned the Forum at 12:10 p.m.
